# Wine & Dine for Life

Wine & Dine has been taken to new heights with 7908 hosting this year's event as Aspen's first and finest alpine supper club with an authentic and extraordinary Aspen experience. The evening will be filled with a carefully crafted menu and incredible Napa wines to complement the elevated evening. Most importantly, this event is lauded as the incredibly intimate window into what CKF truly does, **(taking CO to the no. 1 donor registration state)** and how organ donation touches the lives it saves. Guests will hear from actual donation recipients and their stories of connection with the families of the donor and how both recipient and donor's legacy are given the chance to live on. All adding up to an evening of stories that will be told long after.
